

University of Toronto (Hong Kong) Foundation Scholarship

Since the University of Toronto (Hong Kong) Foundation's inception in 1995, the Foundation has changed the lives of more than 80 Hong Kong students in the past 27 years, and has awarded close to HK\$2.7 million each year in scholarships to local secondary school students to pursue undergraduate studies at the University of Toronto. Ranging from CAD\$12,500 to CAD\$33,000 per annum, these awards are among the largest undergraduate scholarships available to Hong Kong students to study in Canada. The recipients have generally presented a combination of above-average academic performance, leadership potential, dedication to community service and have demonstrated a need for financial support.

The Foundation is now inviting applications to the 2023 U of T Hong Kong Scholarship program. Application procedures and requirements are available at <https://uoft.me/uofthkscholarship>.
