

SCHOOL OF SCIENCE PRESENTS

DISCOVERING SCIENCE AT HKUST

“Discovering Science at HKUST” is an annual event organized by the School of Science to provide an opportunity for senior secondary school students, who have a strong interest in studying science, to learn more about the School and its programs.

Date:

21 November 2020 (Saturday) (SSCI-A / SSCI-A (AI) / IRE / MAEC)

28 November 2020 (Saturday) (SSCI-B / IRE / BIBU)

Time:

2:00pm - 4:30pm

Channel:

Zoom

Target:

S6 HKDSE students

Program Schedule:

- Introduction to HKUST School of Science
- Career talk on why studying Science?
- LIVE sharing and real time chat with current students
- Admission Talk and Q&A session

Recognition of Participation:

In recognition of students’ participation, OEA bonus points will be awarded to S.6 students (for 2021 intake) if they complete either one of the sessions on 21 November or 28 November, and keep one or more of the following programs as their JUPAS Band A choices:

- Science (Group A) Program (JS5102)
- Science (Group A) with an Extended Major in Artificial Intelligence (JS5181)
- Science (Group B) Program (JS5103)
- International Research Enrichment Program (JS5101)
- Biotechnology and Business Program (JS5811)
- Mathematics and Economics Program (JS5813)

Registration:

Interested students please register **on or before 18 November 2020** via:

<https://events.science.ust.hk/Discovering-Science-2020>

A confirmation email with details of the event will be sent to participants on 19 November 2020.
