Title: I Am Malala: The Girl Who Stood Up for Education and Was Shot by the Taliban

Author: Malala Yousafzai, Christina Lamb

Summary:

Malala tells of that life-shattering moment in a riveting memoir, “I Am Malala,” published this past week even as she was being cited as a possible candidate for the Nobel Peace Prize. Co-written with Christina Lamb, a veteran British journalist who has an evident passion for Pakistan and can render its complicated history with pristine clarity, this is a book that should be read not only for its vivid drama but for its urgent message about the untapped power of girls.

Why I recommend this book to you ?

Malala's voice has the purity, but also the rigidity, of the principled. Malala is passionate and intense. Her faith and her duty to the cause of girls' education is unquestionable, her adoration for her father – her role model and comrade in arms – is moving and her pain at the violence carried out in the name of Islam palpable.
