COSMIC

Unlike other protagonists, Liam is just an ordinary boy who is very tall that people think he is an adult.

However, some accidents happen, and Liam is left behind the Moon. He does not have enough food supply or oxygen to survive for a long time.

The universe is so large and mysterious that we can never know everything about it. The fear when we are at the space is unavoidable and difficult to overcome.

However, Liam is brave and calm enough, which makes him gets back to the Earth. What lets us overcome difficulties? Liam already tells us the answer.

The book is now available in the school library.
