More about the world

Students Awards

Our students shine both locally and internationally!

Mr. Cheung, a student of the Department of Economics and Finance, attended the UK Global Student Award in Dublin, Ireland, from 8 to 11 November 2017. He is the Regional Winner in the Economics category of The Global Student Awards 2017. He presented his winning dissertation, 'Innovation, Technology, Happiness and Sustainability in Asian Countries', at the award ceremony and received the award certificate.

Mr. J. Business Administration student Mr. Ip Kin Lung, participated in the 2017 Asia Pacific Management Society (APMS) Students' Competition 2017-2018, and gave a presentation on 'Circular Economy: A New Paradigm for Building Business Resilience in the Challenging Economic Environment' on 23 May 2017. He was the 2nd Runner-up and the Best Presentation award in the presentation contest.
